House parents and boys prepare their home for Christmas.

This Christmas we make a special plea for your assistance both in prayer and financially. The state is our primary source of funding and as many of you have learned the Department of Family and Children's Services does not have as much to give. We need your help to pay operating costs for the boys until times are better.

Mountain Top Boys Home has been helping young men find their way since 1980 and we hope this is only the beginning. Your love and support have always been with us and we thank you.
