CANDLER BUDD AWARD

This year the recipient of the annual Candler Budd Award is Lillian Darden, an important supporter of our Mountain Top Boys for many years. She was recognized as a friend of Mountain Top and accepted the award from Burt Bridges at the fall BBQ in late October. She has not only been a continuing presence at Mountain Top but has been important to our financial sustainability for the entire life of our boys home. In short, we would not still be here except for Lillian's help. Thank you, Lillian, for your warmth and steadfast support of our boys.

FROM THE DIRECTOR

Happy Holidays and a Happy New Year to all our friends and contributors! Without the volunteers, donors, churches, state agency staff and our hard working Board of Directors support our mission would be unattainable. We are fortunate to have such steadfast support and involvement. **THANK YOU.** You allow us to be part of the lives of the youth and families we serve and we continue to do our best to make a difference. As Christmas approaches we are grateful for all we have received and are looking toward continuing to meet the challenges and work involved in helping families and youth reunite; returning to home and community.
Dave Lemmerman, Director

FIRST ANNUAL GAME DINNER A SUCCESS

The first annual Sportsman Dinner was held October 27 at Due West United Methodist Church and was a great success with dishes ranging from pulled and BBQ pork to alligator stew. The speaker, John Bowers, from the Department of Natural Resources introduced us to the structure of wildlife management and its history and origins and the reasons that it is important. Attendance at this first Sportsman Dinner exceeded expectations and plans for next year's dinner are already in the works. Stay tuned.

PETE SCOGIN SELECTED

Pete Scogin, a long time supporter of Mountain Top has been awarded the Burt Bridges Service Award. Every building on the Mountain Top property shows evidence of Pete's gifts through his company Stasco Mechanical Contractors. Pete, a Georgia Tech alum, is now chairman of this fifty year old company with his daughter Amanda as president. You will drive past a Stasco project every time you use a major road in and around Atlanta. We will be forever grateful for Pete's outstanding service at Mountain Top.

HONOR ROLL TIME

We are proud to announce that three of our boys in Walker County public schools made the honor roll of this past grading period. This is an incredible feat for these boys who started out their academic year with distinct disadvantages and is a credit to their willingness to learn. We are proud to applaud their achievements.

GREAT EATS AT THE ANNUAL BBQ

For the 23rd year in a row the North Cobb Rotary Club provided outstanding grilled meats for the annual BBQ held at Mountain Top. Mountain Top has been one of their top outreach missions for many years and the BBQ they host is a great opportunity for those who care about its future get the chance to meet other like-minded people. As in years past the ladies of Calhoun First UMC and Lafayette First UMC along with the men of Dalton First UMC provided outstanding side dishes, desserts and condiments to compliment the Rotary's grilled meats. Tours of the boy's home were topped off with delicious home made ice cream that was churned by the boys for their guests. Many visitors took the opportunity to walk up to the nearly completed outdoor chapel to sound out its acoustics and to see the benefits of newly planted shrubs and trees. This year the BBQ featured live music via the Porch Pickers who played from the front porch of Oak Leaf Lodge for all to enjoy.
